5

**OUR PROGRAM GOALS:** Two-generational whole-family approaches that focus equally and intentionally on services and opportunities for the child and the adults in their lives.

- Child-parent approach is focused primarily on the child while moving toward a two-generational approach that also includes services and opportunities for the parent.
- Parent-child approach is focused primarily on the parent while moving toward a two generation approach that also includes services and opportunities for children.

6

## EARLY EDUCATION PROGRAMS

- CSW has partnered with “Just a Buddy, ELC.”
- If a customer’s child is at least 2 years of age, and they need childcare during training within a certified CSW training, or have to complete hours necessary for payments, then have them complete the following [form](#).
