Feedback and Communications

- The ICH will share ongoing renovation and closure updates and seek feedback through the ICH Emergency Response and Shelter Operations Committee (ERSO), ICH Outreach WG, and ICH Consumer Engagement WG.
- Pathways to Housing's outreach workers have done outreach to individuals staying in the park regarding the closure, and will be:
 - Informing individuals in the park of all updated closure information
 - Sharing information on additional service locations, and
 - Helping individuals come up with alternate plans during the closure.
- Flyers will be handed out to the individuals who spend time in the park and shared at the Downtown Day Service Center.
- Signage will be posted sharing information about the closure and explaining locations where individuals can receive services during the construction.
