Work Plan Roles & Responsibilities

Solicit feedback and share updates on the following:

❖ Housing Production Trust Fund Consolidated RFP

❖ Site-based PSH

❖ Landlord Engagement

❖ The Partnership to End Homelessness Nonprofit Developer Capacity Building

Work Plan Projects & Priorities

- Develop mechanism for categorizing site-based PSH
- Develop framework for input/support on affordable and supportive housing projects and combating NIMBY opposition
- Convene developers and lenders to map the PSH development process
- Identify strategies to improve coordination between property management and on-site service providers
- Develop financing model and design considerations for intensive site-based PSH
- Support OP to develop affordable housing policy statement
