

OVERVIEW

The District of Columbia Government through the Homeland Security and Emergency Management Agency (HSEMA) will implement the District Heat Emergency Cooling Centers Program when a heat emergency occurs, in identified District and public facilities, as well as public housing senior facilities, senior centers and homeless shelters throughout the city.

District Cooling Centers will be activated on weekdays from the heat activation until 6pm when the “heat index” (a measurement of the air temperature in relation to the relative humidity, used as an indicator of the perceived temperature) reaches 95 degrees. HSEMA, in conjunction with the Department of Health, will also disseminate emergency public information to the public through the DC webpage at www.dc.gov

II. RESPONSIBILITIES OF OPERATING AGENCIES

- A. The **Homeland Security Emergency Management Agency (HSEMA)** will organize and coordinate the activation of the Heat Emergency Cooling Centers . HSEMA will develop a plan of operation to include identification of sites, equipment, and personnel. HSEMA will verify weather reports and make appropriate notifications to operational agencies as part of the plan.
- B. **OEM:** There will be no activations or any openings of fire hydrants anywhere in the District of Columbia for the specific purpose of a street shower without authority of the City Administrator or the Deputy Mayor of Public Safety.
- C. The **Metropolitan Police Department (MPD)** will assist with responding to those areas where unauthorized hydrants have been opened and will provide support and response to DC Water if issues occur at unauthorized Hydrants that are turned on illegally.

- D. The **Department of Fire and Emergency Medical Services (FEMS)** will report water pressure problems brought on by unauthorized hydrants being opened in neighborhoods to DC Water Command Center.
- E. **DC Public Libraries** upon a Heat Activation by HSEMA will notify their staff and security officers. All public libraries will operate as they do during normal operations. The general public will be allowed to come in cool off, enjoy reading a book, but must obey all rules and regulations as permitted by each site.
- F. The **Water and Sewer Authority (DC WATER)** HSEMA will coordinate with the DC Water and Sewer Authority (DC WATER) External Affairs Department, FEMS, MPD in providing the message to the public on illegally turning on the fire hydrants as street showers during high heat events. Unauthorized hydrant use can hamper firefighting, damage the water system and cause injury. Tampering with a hydrant can damage the hydrant, the nozzle and the underground pipes in the water distribution system. HSEMA will no longer activate the street showers program unless as directed by the City Administrator or the Deputy Mayor for Public Safety. If so directed HSEMA will immediately notify the DC Water Command Center, the Fire and Emergency Medical Services, the Office Of Unified Command and Metropolitan Police Department.
- G. The **DC Department of General Services (DGS)** will ensure that security in any government building that allows access to the general public has been notified that a Heat Emergency activation has taken place. DGS will also notify HSEMA of any DC Government public facilities that are without air conditioning.
- H. **DC Protective Services Police** will make notifications to contract officers under their authority that a Heat Emergency activation has taken place.
- I. The **Department of Human Services and the Community Partnership For the Prevention of Homelessness** will coordinate the opening and staffing of shelters for the homeless and provide water for persons staying on the street when the emergency alert is declared in order to prevent dehydration and heat stroke. The United Planning Organization (UPO) command center will make internal notifications when an alert is declared.
- J. The **Office on Aging (OA)** will coordinate the activation of neighborhood cooling centers for senior citizens and make notifications and alerts to senior service organizations. .

- K. The **Department of Health (DOH)** will assess the medical impact of the heat conditions and identify/inform the public of appropriate health precautions, and monitor hospital emergency room admissions related to heat illnesses. DOH will provide HSEMA information related to heat prevention.
- L. The **Department of Parks and Recreation (DPR)** will ensure that spray park locations are activated at key neighborhood locations. DPR will open recreation centers in neighborhoods during major power outages if requested by HSEMA.
- M. The **Department of the Environment (DDOE)** will assist in providing box fans to HSEMA to be used for emergency assistance to citizens after normal business hours. DDOE also has several programs established to help eligible residents with emergency assistance with fans, gas and electric bills during normal business hours.
- N. The **Office of Unified Communications (OUC)** will ensure that the DC Water Command Center is notified of any hydrants that are opened without authority.. The OUC will Notify DC Water Command Center to ensure illegally opened hydrants are turned off. 311 will provide citizens the locations
- O. The **Mayor's Office of Community Relations and Services** will provide outreach and information to residents during the Heat Emergency. They will also provide the names of special need residents who may be impacted and may need fans.
- P. **Serve DC** will assist when needed to provide support if possible during Heat Emergency Activations at DC cooling centers.
- Q. The **Department of Consumer Regulatory and Affairs (DCRA)** will inspect and report residential units and buildings during a Heat Alert that are without air-conditioning. DCRA inspectors will identify those residents that may need fans after normal duty hours and report that information to HSEMA
- R. **District Department of Transportation (DDOT)** will implement their Risk Management Plan for Extreme Heat and how it could impact at risk employees who are in the field. DDOT will issue an alert to the agency and the precautionary measures employees should take.
- S. **Department of Public Works (DPW)** will implement their Risk Management Plan for Extreme Heat and how it could impact at risk employees who are in the field. DDOT will issue an alert to the agency and the precautionary measures employees should take.

III. COOLING CENTERS:

The Cooling Centers will be activated only on weekdays at the following locations from 12-6 pm unless as directed by the Office if the Mayor:

1.	One Judiciary Square	441 4th Street, N.W. <i>Guards Desk > 202-724-8613</i>
2.	Frank D. Reeves Center (Lobby)	2000 14th Street, N.W. <i>Guards Desk > 202-671-0576</i>
3.	King Office Building (Lobby) <i>Managed by DHS</i>	3720 Martin Luther King Ave, SE <i>Guard's Desk > 202-279-1800</i>
